THURSDAY MORNING, AUGUST 3.

WASHINGTON, July 31, 9 P. M.

The Senate, being called to order, proceeded to business.

Mr. Benton gave notice that he would move for the establishment of a temporary Government in California.

Mr. Breese, from the Committee on public Lands, reported a bill to settle the titles of California lands, granting donation rights to actual settlers.

The committee of conference on the naval bill reported.

A debate ensued on the provision for the Chagres steamers to stop at Charleston.

In the House of Representatives, the Committee of the Whole was discharged from the further consideration of the bill granting lands to the States of Georgia and Alabama for railroad purposes.

Mr. Thompson, of Penn., moved to lay the bill on the table.

PITTSBURGH, July 31, 9 P. M.

The operatives of the Victory Manufacturing Works are on a strike for the ten hour law. Some of them went to work at the Pennsylvania mills in Alleghentown, when some of the other operatives attacked them. They dispersed the sheriff's posse, and several of the police were badly wounded. The factory is in the possession of the operatives. Several persons were badly wounded. The windows, doors, and some of the machinery have been injured by the operatives, who appear to have carried the day. Great excitement prevails.

BORROWED CAPITAL.—The Doylestown Democrats have borrowed an old wood cut of the Battle of Bunker's Hill, which it labels "Gallant Repulse by Gen. Lewis Cass of the British and Indians, at Canada's Bridge, in the war of 1812." The editor gives a description—and such a description of this battle, that we must transcribe it:

"One of the most brilliant acts of the American army during the war of 1812 with the British and Indians, was the repulsion of their united forces at Canada's Bridge, by the gallant General Cass. After standing a heavy fire from our old English enemy, he in triumph drove them from their ramparts, and scattered their forces. Again the British rallied and charged on Gen. Cass, but were routed with a signal effect. A third time they returned and attacked the American army, and a third time did the gallant army under Gen. Cass repulse them with great havoc. Not content with standing three heavy cannonades against their superior armed force, he drove them in triumph nine miles, at every step giving the British scoundrels a 'fire in the rear.' Such is the military reputation of the 'BRAVE OLD VOLUNTEER.'"

"Such is the military reputation" of Cass!—A fabrication—a falsification of history. The fame of Sparg, Prescott, and our other national historians, must pale before the brightness of this Doylestown genius!

THE FLORIDA WAR.—A correspondent of the Charleston Courier says that the war with the Seminoles originated in an attempt on the part of Cass to have the negroes (protected under the treaty) delivered to speculators, who raised up claims to them as runaways. The treaty stipulation was positive, and Cass thus became responsible for that seven years' war, which was as disgraceful in the beginning as it was expensive on the Treasury. It was Taylor however, who at Okecho-bee first turned the tide of our glorious defeats, and laid the foundation of that military reputation as a General, which Palo Alto, Resaca, Monterey and Buena Vista have since illustrated.

The river has risen considerable since Tuesday and has interfered with the work on the wharf, and destroyed, no doubt, a portion of the embankment. Some very severe rains have fallen in the last week.

LAMARTINE.—It is announced in a late telegraphic dispatch to the New York Sun from Paris that Lamartine does not intend to travel to the east, as has been announced, but "he has made preparations to leave for the United States."

DIED.—On yesterday evening about 5 o'clock GEORGE, infant son of Christian and Anna Maria Decker. The funeral will take place from their residence this afternoon at 2 o'clock, to which the friends and acquaintances of the family are invited without further notice.

Dr. Champion's Vegetable Aque Medicine!

A SAFE and warranted Cure for Fevers of every description.

Also, Dr. Champion's Vegetable Anti-Bilious, Anti-Dyspeptic, Purifying and Cathartic Pills, possessing four important combined properties for the cure of Diseases, carefully and correctly combined, one article to assist in effect of another for the benefit of the health of mankind.

These pills contain the four leading properties for the cure of Diseases. There is no chronic affection in which the Liver, the Stomach, the Bowels or the blood is not concerned. Therefore, these pills are carefully and correctly prepared to meet those several indications. In all Bilious complaints they cure by acting upon the liver, and carrying off the redundant, or excessive bile; and at the same time exciting the liver into full action. In dyspepsia, they carry off the accumulated mass of acidity, and correct the stomach and digestive organs. It is a fact well known and generally acknowledged, that a great part of chronic diseases depends upon impurity of the blood. These pills possess the power of purifying the blood, even in the most obstinate cases of scrofula or flaccid temperament; and as a cathartic, they act gently upon the bowels, removing all unhealthy accumulations. They are mild in their nature, and may be used with perfect safety in all ages, from infancy to old age.
